Christmas Festivities

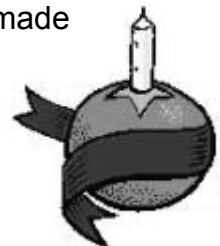

As usual our children did us proud at the Christmas Service. The vicar had found a charming tale about the Inn Keeper in Bethlehem and the children acted out the story. They were all allowed to dress up as their favourite character and it didn't really matter that we had five Marys!! A special thank you must go to the parents for creating all the costumes.

Christmas Lunch

A super lunch was provided by 4 Forks catering with all the staff and almost all the children enjoying a tradition meal. Father Christmas arrived to say hello to give the children a small gift and we said our formal thanks and goodbyes to Jenny and Gilly.

Birthday Celebrations

We started our 150th birthday celebrations with a Christingle Service in the Church attended by the Bishop of Taunton. It was touch and go whether it would be cancelled due to the weather but we all braved the cold and enjoyed a delightful Service with the children demonstrating their musical expertise by playing instruments and singing. The Service was rounded off with coffee and cake. A big thank you must go to Jenny Hill who made a magnificent birthday cake that was as delicious as it was beautiful!!

Many thanks to everyone who has bought in photos and scrap books about Spaxton School in the past. We are hoping to display them later in the year.

If there is anyone who is brave enough to chat to the children about what it was like at the school in the past we would love to hear you.
